COMPANY PROFILE

ABOUT JKH LTD

Established in 1969 JKH LTD specialise in the design, manufacture and supply of pre-cast concrete and fabricated metal products to a wide range of sectors including the monumental masonry trade.

JKH LTD keep a wide range of standard memorial bases & frame landings in stock and have the capacity to design & manufacture special items to order.

We have built an enviable reputation within our field for good service, innovation and reliability. In partnership with our customers we are continually innovating and developing new products.

Using our fully equipped design office and engineering workshop JKH are also able to offer UKCA marked metal fabrication, design and manufacturing services.

PRODUCTS

- ✓ LARGE STOCK OF STANDARD MEMORIAL BASES
- ✓ FRAME LANDINGS
- ✓ SADDLES
- ✓ SPECIAL MADE TO ORDER BASES
- ✓ SPECIAL MADE TO ORDER FRAME LANDINGS

SERVICES

- ✓ OFFLOADING AVAILABLE UPON REQUEST
- ✓ LARGE STOCK OF STANDARD PRODUCTS
- ✓ METAL FABRICATION SERVICES
- ✓ SPECIAL DESIGN SERVICES
- ✓ FAST DELIVERY SERVICE AVAILABLE UPON REQUEST

TECHNICAL INFORMATION

All memorial bases and frame landings are manufactured in steel moulds using high quality concrete with steel reinforcing to increase the tensile strength of our products.

—

All standard foundation slabs come with NAMM fixing points cast in.

To guarantee the quality of our products and test compression strength of our concrete JKH perform regular cube tests in accordance with **BS EN 12390-1:2021.**

Our cube tests consistently exceed a compression strength of **50N/mm guaranteed 28 days** after casting.

DELIVERY SERVICES

JKH operate a small fleet of heavy goods vehicles ranging from 26 ton rigid lorries up to 44 ton articulated lorries.

—

JKH deliver nationwide from our factory based in East Anglia.

Our vehicles are London DVS compliant and we are FORS Silver accredited.

The majority of our heavy goods vehicles are fitted with forklifts which are able to assist customers with offloading their orders.

Forklift offloading is a free service which must be requested at the time of order. Urgent orders can be sent on pallet carrier for an additional charge.

STONESAFE

STABILITY SYSTEMS

STOCK ITEMS

Manufactured from steel reinforced concrete, JKH stock a wide range of standard sizes. Headstone not included.

The Stonesafe memorial fixing system has been designed as the most stable and secure memorial foundation on the market giving peace of mind to the installers and their customers.

The Stonesafe memorial fixing system consists of specially designed concrete bases and Ground Anchors that can withstand a pressure of 250kg with proper installation.

All Memorial fixers have seen installations which are clearly unstable and will fail "topple-testing". These circumstances give immense grief and upset to all grave-owners and often comes at a particularly difficult time following the death of a loved one.

The Installation guide is available upon request.

KEY BENEFITS

Stonesafe system enables easy removal for maintenance and second inscriptions. With proper installation, this system can withstand a pressure of **250kg**

- ✓ SIMPLE INSTALLATION
- ✓ RIGID FIXING SYSTEM
- ✓ MECHANICAL SYSTEM DOES NOT REQUIRE MORTAR
- ✓ GROUND ANCHORS MANUFACTURED WITH 100% RECYCLED PLASTIC
- ✓ LARGE DIAMETER GROUND ANCHOR IMPROVES STABILITY
- ✓ NO CEMENT, MORTAR OR ADHESIVE BONDING
- ✓ VANDAL RESISTANT
- ✓ TOPPLE-TEST RESISTANT

REGULATORY COMPLIANCE

- ✓ DESIGNED IN ACCORDANCE WITH **BS 8415:2018**
- ✓ TESTED IN ACCORDANCE WITH **BS 8415:2018**
- ✓ CONCRETE MEMORIAL BASE MANUFACTURED IN ACCORDANCE WITH **BS EN 13369:2018**
- ✓ COMPLIES WITH STRUCTURAL ENGINEERING STANDARDS
- ✓ APPROVED BY TRADING STANDARDS
- ✓ APPROVED BY PORTSMOUTH CITY COUNCIL BURIAL AUTHORITY
- ✓ INDEPENDENTLY TESTED BY THE UNIVERSITY OF SOUTHAMPTON
- ✓ INDEPENDENTLY TESTED BY SOUTHERN TESTING

STONESAFE MEMORIAL BASE

REGISTERED DESIGN NUMBER: 6160847

MANUFACTURED FROM STEEL REINFORCED CONCRETE, JKH STOCK A WIDE RANGE OF STANDARD SIZES.
HEADSTONE NOT INCLUDED.

JKH are able to design & manufacture **special sizes** of foundation slabs, frame landings and cremation tablets to order.
